

Enchanted Planter

Parts List:

12x 60mm Screws

Required Tools

Drill or Screwdriver

2 Adults are needed to assemble this product

1. Using a flat level surface, place each planter on either side of the arch, ensuring they sit flush.
2. From the inside of the arch, fix the planters on to the bottom two cross beams using 6x 60mm screws in the pre-drilled holes. Repeat this step for each planters (12x 60mm screws total)
